Rebels Downed By Red Devils In Northern Division Tourney

PEBB, 27 — The E. C. Glass gym was the scene of the play-off game, Rustburgs victory eliminated the Rebels from the Group II, District IV tournament.

The Red Devils jumped to a quick lead, scoring six straight points in the first two minutes of play, and went on to defeat Appomattox, 56-41

The Rebels made their bid near the first half, but this was offset by a spirt of Rustburg goals. The game hereafter was played with a 10 point margin between the two teams.

Jimmy Torrence, the Rebels' fall-away jump-shot artist, had trouble from the floor, but still sank 4 field-goals and 5 foul shots for the teams scoring honors.

Dicky Smith was second on the Rebs scoring list with 12 points.

The Rustburg Red Devils were led by Ronnie Eale, Charlie Falwell and Danny Pore, who together scored 36 points.

Each team scored 16 field goals but Rustburg hit 24 of their 31 foul shots. Rustburg went on to defeat Brookville High School for the Northern Division Championship.

This contest marked the last basketball game for the Appomattox seniors. Next year you will not see lanky John Farrar shooting his flip shots or Jimmy Torrence firing his fall-away jump shots; or Dicky Smith and Doug Mitchell pumping in their outside shots.

The Rebels' Buddy Carson can be told his boys played good basketball this season!

Two Victories Close Season

The Appomattox Rebelettes closed the basketball season Tuesday, February 18. The last two games were played with the team at full strength for the first time since January 17. The team has been plagued with injuries and illness since the first four games of the season and at that time had a three -one record. However, in spite of the injuries and illness, the team never lost courage and made a fine come-back on February 14 by downing Brookville. They took an early lead with a score of 12-2 by the end of the first quarter and went on to defeat the second place team in the Northern Division by a score of 26-25.

On the following Tuesday the lady rebels closed the season by defeating Amherst 42-22. The girls played 11 games for the season, winning 5 and losing 6.

The Rebelettes are to be commended for their fine spirit of cooperation, teamwork, loyalty and hard work during games and practice sessions.

Seniors graduating this year are: Kathy Bragg, Alice Evans, Evelyn Greene, and Eveann Moore.

The team is looking forward to a good season next year having taken on six freshmen this season. The girls are expecting to meet a 15 game schedule next season which is the number played by schools the Rebelettes compete against.

Thanks to the many fans and their loyal support. Hope to see you next season!

Chevelle 300 6-Passenger Station Wagon

Chevelle balanced performance is best!

Passing, cornering, threading through traffic, sudden stops—Chevelle excels all around! Chevrolet's new surprise package has what it takes to meet any driving challenge: Six or V8 engines, hefty brakes, Full Coil suspension—and a trim size that makes the most of them!

Chevelle means performance aplenty—standard 120-hp Six or 195-hp V8—and optional at extra cost, a 155-hp Six, a 220-hp V8, a new 327-cu.-in. V8! But Chevelle's performance means more. Chevelle's a foot shorter than the big cars. And the space Chevelle saves in size comes off the ends, not the middle. So it rides like you want a car to ride.

Chevelle lets you choose Powerglide*, 4-speed manual* or 3-speed manual transmission. Knowing how people like the custom touch, we wrote out a long list of extra-cost options.

Knowing all this, what's keeping you from a test drive? Certainly not your Chevrolet dealer!

RCA Space Age Sealed Circuitry

The main arteries of a television receiver are its wiring and wiring connections. The advantages of RCA Space Age Sealed Circuitry are plain to see. They are precision-crafted, orderly, plainly marked for easy servicing. They're today's precision answer to yesterday's old-fashioned, all-hand-wired circuitry. Every etched-copper, permanently bonded board is an exact duplicate of the original master design developed in RCA laboratories. Two-thirds of RCA Victor TV circuitry (excluding tuner) is bonded on Sealed Circuit Boards. Eliminated are more than 200 hand-wired, hand-soldered connections that can come loose and cause trouble.

County Gunsmith In State Paper

Hacker Martin, Appomattox gunsmith who lives near an old mill on Wreck Island Creek, was the object of a special feature story Sunday in the Richmond TIMES-DISPATCH. Martin makes guns by hand, reproductions of Revolutionary War era flintlock rifles and pistols, and uses the upper story of the old mill as his workshop.

He was seen on the front page of the TIMES-VIRGINIAN in January of '63.

Lucy Clover 4-H

The Lucky Clover Community 4-H Club met in the home of Beth Massey February 22, 1964.

The meeting was called to order by our president, Gray Inge. The pledge to the American flag was given. Devotions were led by Audrey Inge. The minutes were read by the secretary and approved.

The main business of our meeting was to select candidates to participate in Share-the-Fun program on February 25th at the Appomattox Exmentary School. Mr. and Mrs. Steele were our judges.

In the Senior division: Second — Frances Reeve and Sandra Harvey. First — Beth Massey.

In the Junior Division —Third was Susan Williams and second was Margaret Reeve; First — Pat Covington.

The meeting was then adjourned and 4-H pledge given.

Refreshments were then served.
